## An enriching afternoon program for your Kindergartener!

At the Kindergarten Club at Hollis Preschool, we believe children learn best through play and social interaction. Our afternoon activities focus on reinforcing kindergarten skills through all areas of the curriculum.

### Kindergarten Club at Hollis Preschool:

- Fun and interesting **kindergarten-level learning centers** reinforce hands-on skills.
- Our exciting theme-based program uses art, writing (featuring The Handwriting Without Tears® program), books, indoor/outdoor games, music and play to reinforce learning skills.
- Large and small **group activities** promote social skill building.
- Low teacher-to-student ratio** (8:1) provides more individual attention.
- Fun activities** use weekly themes that include Authors, The Solar System, Native Americans, Insects, The Alphabet, Our Neighborhood and more.
- Our program is **a great way to transition your child** to full, first grade days!

### A TYPICAL DAY

When the children arrive after a busy morning at school, they are able to unwind as the second half of their day begins with us.

They greet their friends, have time for open play and enjoy their packed lunch together.

Our afternoon continues with fun, educational, teacher-led activities and learning centers. Outside and/or active movement time is also incorporated into each day.

### PROGRAM DETAILS for 2011-2012 year
